African Violets--Unusual House Plants
Spring 1955 List

All plants are state inspected and shipped in pots. Small plants are 2½ and 3 inches tall. These ship best and keep on growing. Give other varieties in which you are interested, if plants are smaller than usual I include an extra plant or a larger size. Leaves rooted and potted the same as small plants, add 15¢ to price of fresh cut leaves. In all plant orders of \$10.00 or over (no supplies) I will include extra plants or cuttings or both.

Many other varieties are available in too small quantities to list. Ask about any others you are interested in. Any questions on varieties will be answered if stamp is enclosed. Substitutions will be made unless instructions are to the contrary.

An extra list of later varieties will be ready in mid-summer. Send stamp with request for list.

Due to the increased parcel post rates I cannot continue to sell plants for 75¢ and pay parcel post fee so every order must be accompanied by a mailing fee of 75¢ for insured parcel post or \$1.00 for Special Handling or Special Delivery. State which you desire. No orders sent without mailing fee.

Directions for finding Flower Haven - 5 miles west of Freeport on Route U.S. 20, turn north (right), ¼ mile, first house on the right.

DOUBLE PINKS - Bountiful and Ulery's Pink Victory will be released about May 1st. Small plants and rooted leaves of Tonkadale's Double Pinks and Peter's Dresden available early fall. Sizes and prices available only if you send a stamped addressed card after May 1st.

Newer releases from the leading hybridizers will be available - ask about sizes and prices in those you are interested.

African Violets

Unless marked ✓ Small Plants 75¢ Larger 1.00 - 1.50 - 2.00 Leaves 50¢

✓ Boyce Edens-huge orchid lavender with purple top petals and purple tips on lower petals, a very heavy bloomer, fine foliage. S.P. 1.00 - L. 75¢

S U P P L I E S

Black Plymouth Pots -- 2 inch--5¢ each, 2 $\frac{1}{4}$ inch--8¢ each, 2 $\frac{1}{2}$ inch--9¢ each, 3 inch
--10¢ each, 4 inch--15¢ each, 6 inch--35¢ each.

White Plastic Labels--\$1.00 per 100 if sent with order.
\$1.25 if ordered separately.

Milled Sphagnum - 25¢ per quart

Sponge Rok -- 25¢ per quart

N. N. O. R. -- an insecticide and cleansing spray -- \$1.25

Atlas Fish Emulsion -- \$1.00

Magic Mix -- 2 quarts -- \$1.00 -- 5 quarts or over 40¢ per quart postpaid

Sodium Selenate --10 capsules for \$1.00 postpaid with detailed instructions for
use, enough for about 175 to 200 plants.

MAGIC MIX -- a prepared mix for starting gloxinia, begonia, episcia, violet or any
plant cuttings, a fine medium for starting seeds. It contains no soil or chemical
fertilizers. It can be used alone or combined with equal parts of violet soil for
growing and blooming large specimen plants. If you prefer to root cuttings in
water they can be transferred to this mix without shock.

Magic Mix should always be moist, not wet when used. Press mix firmly into con-
tainer, plant cuttings, water thoroughly forming mix around cuttings. When
dividing cuttings always water thoroughly, cutting can then be easily divided
without injury to roots.

Atlas Fish Emulsion is recommended as fertilizer.

When ordering small number of pots or supplies they can be included with plant
order - otherwise include 75¢ for postage and packing.
